

# Holy Trinity Playground Essential Agreement

We agree that if we want to make our playground a happy and safe environment we need to:

## Eating Time (First 10 minutes):

- Be seated and eat our lunch/recess
- Put any food plastic or rubbish in our lunch box
- Hold and not play with any sports equipment (handball, soccer ball etc)

## Play time:

- Walk down the ramp
- Tell the teacher if there is a problem
- Listen to the teacher with our eyes and ears when they are talking
- Tell a teacher if your ball goes out of bounds
- Look after our environment and not throw sticks/rocks or any other objects
- Be kind and not use hurtful/swear words **(if you don't have anything nice to say... don't say anything at all)**
- Be a good sport and have fun- you are not playing in the World Cup
- Follow the correct directions on the play equipment
- Look after our school sports equipment
- Be aware of others and avoid rough play
- Always play where a teacher can see you
- Look after your friends and fellow students **(if you see a need... do something about it)**

## Play with people in your year level:

- Kindergarten students to play with Kindergarten students
- Year One students to play with Year One students
- Year Two students to play with Year Two students
- Year Three/Four students can play together
- Year Four and Year Five students can play together
- Year Five/Six students can play together
